

Structured Finance and Capital Markets Services

As capital markets evolve across the globe and regulatory and compliance demands become more complex, choosing a service provider with a genuine understanding of your needs and the ability to adapt has never been more important.

What we do

Hawksford can support you from a place of genuine technical expertise. Having worked with some of the largest global investment banks, we're experts in management and administration services to debt issuances, securitisation, structured and alternative finance transactions and programmes across the world.

We lead in governance and compliance standards and ensure that we stay at the forefront of global trends and changes to give you peace of mind.

We manage your day-to-day operations, so you can focus on running your business. We do this by offering you flexible, bespoke, full life-cycle solutions across all capital market sectors. Our services include:

- SPV corporate services – including directorships, administration and financial/regulatory reporting
- Accounting services
- Bonds – security trustee, escrow agent and lending agent
- Facility agent and loan administration
- Fiduciary services
- Formation and domiciliation services
- Investor reporting
- Regulatory and compliance (including beneficial ownership, FATCA/CRS, MAR and LEI registration)
- Trustee services
